Radio, Television, Film, and Library Code Changes

Radio networks, Cable and other subscription programming, News syndicates, and some elements of Television Broadcasting are combining to create a new single code for Media Streaming Distribution Services, Social Networks, and Other Media Networks and Content Providers. The remaining elements of Television Broadcasting (code 515120), are now becoming Television Broadcasting Stations (code 516120). The three remaining codes are getting new numbers and in the case of Radio stations, a slight name change.
